ACM Multimedia 2012　Multimedia Art, Entertainment and Culture Program
Multimedia Art Exhibition
Submission Checklist

Dear Authors,

Thank you for submitting your research / work to Multimedia Art Exhibition.
Interested participants should submit those materials / files below.
Please check and edit your submission along with the Submission Guidelines, Important Dates which is updated on our website and this checklist.

Best,
Art Chairs

☐A short paper / description as PROJECT STATEMENT

2 pages including images / plates
In standard ACM MM2012 format (with the exception that the papers need not be blind)
You can get the format from the link below:
http://www.acmmm12.org/paper-submission-instruction/

☐A supplementary PDF file and PROJECT INFORMATION SHEET

With describing the necessary physical condition for the exhibit
Compressed multiple files as ZIP file (Max 10MB)
Spatial layout / sketch must be attached as a supplementary file

☐A video document

No longer than 3 minutes and playable VLC 1.1.12 or higher
As the online submission system restricts the size of the supplementary file to 10MB, print the URL to the movie file in the beginning of the paper/description if the authors plan to submit a video that does not fit in the 10MB upload restriction.

We are preparing to use Dropbox for the submission of your video file.
Please check the website and look over the updated information how to use it.
